

List of Critical Errors:

- Too slow
 - Recorded if following traffic is inconvenienced
- Too fast
 - Recorded if I exceed the speed limit by more than 5 km/h (but less than 10 km/h) for less than 5 seconds.
- Failing to Look
 - Recorded if:
 - When pulling out from kerb I do not check mirrors AND perform head check.
 - When diverging left or right by at least the width of the car, I do not check mirrors AND perform head check.
 - When changing lanes I do not check mirrors AND perform head check.
 - When required to give way, I do not check for conflicting traffic.
 - Prior to driving over railway crossing, I fail to look over both directions.
 - This is an immediate fail if me not looking causes another vehicle to take evasive action.
- Failing to Signal
 - This is recorded if:
 - I fail to signal before pulling out from the curb
 - I fail to signal when stopping for a reverse parallel park
 - I fail to signal when pulling out from traffic to park.
 - I fail to signal when diverging more than the width of the car.
 - I fail to signal when changing lanes.
 - I fail to signal before turning at an intersection.
 - If I do not signal correctly when using a roundabout.
 - This is not a critical error if I **do** signal, but not at the right time or if I deactivate it too soon.
- Blocking a pedestrian Crossing
 - Recorded if the vehicle stops on a pedestrian crossing (even if no pedestrians are affected)
 - This is not an error if I have to stop on a crossing to view approaching traffic before turning at an intersection.
 - This is an immediate fail if a pedestrian must take evasive action due to me pulling into a pedestrian crossing.
- Mounting a Kerb
 - Recorded if I allow a wheel to mount the kerb during parallel parking or a three point turn.
 - This is not recorded if I just allow the wheel to touch the curb.
 - This is an immediate fail if I damage anything, or if more than one wheel mounts the curb at once.
- Stalling the Vehicle
 - Not applicable.
- Incomplete stop at Stop Sign.
 - Recorded if:
 - when approaching a stop sign, I slow down but do not come to a complete stop.
 - This is an immediate fail if I do not slow down, or if this occurs at a railway crossing, or if I stop in conflict with traffic.
- Other illegal Action
 - This is recorded if I do something else illegal, like:
 - Not maintaining a safe following distance.
 - Driving over the center of a roundabout designed to be driven over by heavy vehicles.

Immediate failure errors:

- Testing officer intervention.
- Failure to carry out an instruction.
- Collision.
